

1. **What do we mean by stating “High quality” in the Centre Philosophy Statement?**

At the Aroha Early Learning Centre we:

- Foster an environment where relationships are: developed, strengthened, nurtured and valued
- Empowerment of relationships that are meaningful and reciprocal,
- The holistic approach to learning is fostered and developed,
- Linking into meaningful reciprocal relationships with the community,
- Children, their families and staff contribute to the learning environment holistically; this is valued and respected.
