

2. What do we mean in the Centre Philosophy: “we embody the Principles of the Curriculum (Te Whāriki)?

At the Aroha Early Learning Centre we:

- Enable adults and management to meet the needs of all children, families & other adults,
- Knowledge from ongoing training empowering adults to use knowledge & skills to support child learning & development, implementing the curriculum, Te Whāriki, in everyday practice,
- Involve teaching adults to be thoughtful, aware of their role modeling & willing to try alternatives,
- Have teaching adults who internalize meaningful reflective questions in practice,
- Are ready to share and participate appropriately with the purpose of making a purposeful difference towards best practice,
- Have adults who have knowledge of the curriculum and supporting documents that support ongoing best practice, inclusive of desirable objectives and practices interwoven into licensee legislation, in order that legislative requirements are fully met.
